CONTRACT APPROVAL
Contract No. SP-1913

Contractor is hereby authorized and directed to purchase, as a direct charge to Contract No. SP-1913, all necessary shop equipment required for each of two detachments, similar to the shop equipment purchased for use at the Ranch.

One set of such shop equipment should be assigned to the SLOC for Detachment "B" and shipped to [redacted]. The second set of such shop equipment will be unassigned for the time being and also shipped to [redacted]. This second set may ultimately be assigned to the SLOC for Detachment "C" but will be held in reserve in the event Detachment "A" is split and the shop equipment required at the second location for "A." In the latter case a third set of shop equipment would be authorized later for use by Detachment "C."

The estimated cost of each such set of shop equipment is \$18,000, or a total authorization hereby of some \$36,000.
